

Indoor Adult Golf Clinics

Golf will begin this winter! Our goal is to introduce adults in the community to the game of golf as well as give experienced players a way to improve their game in the offseason.

Golf Program Description:

We will be offering a beginner clinic to adults that want an introduction to the game of golf. We will start with the basics of fundamentals, terminology and leave you feeling you're ready to come up to the country club for more instruction when the season begins. We will also be offering an intermediate clinic for adults that want to work on their game in the offseason. Jake Anderson, PGA Professional has recently been promoted to a year round position at Port Jefferson Country Club dedicated to player development and has 8 years of teaching experience and has learned from some of the best instructors in the country. He is very patient, warm and enthusiastic when it comes to teaching the game he loves.
