

Free Youth Golf Clinics

Golf will begin this winter! Our goal is to introduce all children to golf with a program that teaches not only the sport, but also life values, like integrity, respect & perseverance.

Golf Program Description:

Our golf program is geared towards beginner students although more experienced players are welcome. Golf program curriculum will include an introduction to the fundamentals of golf such as; grip, posture, alignment in all areas including putting, chipping and the full swing. Golf is a tremendous sport to introduce to juniors at a young age that they can enjoy their entire life time! Jake Anderson, PGA Professional has recently been promoted to a year round position at PJCC dedicated to player development and has years of experience working with junior golfers. He was the Executive Director of Aspen Junior Golf Foundation in Aspen, Colorado and has a great approach with juniors, creating a fun, enthusiastic environment.
