(Post Office parking lot)

Pre-submission meetings have occurred with staff.

Building was modified without site plan approval. Prior Planning Board approval was in 1965.

Lots 1, 2.2 and 4 are owned by another property owner. Post Office did not submit agreements with adjacent property owner addressing use of the entrance and exit.

Four spaces were approved as part of two owner’s approvals.

Planning Board reviewed April 2016 and most recent 2015 plans. April 2016 plan has a lot of compact car spaces. PB discouraged the use of these spaces citing that they do not work and and result in traffic circulation problems. PB indicated general preference for 2015 plan but noted modifications were needed. Staff to draft letter to applicant.

Meeting ended at 8:30PM

Respectively submitted, Cindy Suarez, Secretary to the Planning & Zoning Board
