What an exciting opportunity for children in Port Jefferson to participate in an after school club at our beautiful Country Club. Our goal is to introduce all children to golf & tennis with a program that teaches not only the sport, but also life values such as integrity, respect, and perseverance. Children will be bussed from the Elementary or Middle School to the PJCC and supervised by our own Assistant Golf Professional & PJCC Director of Tennis. No need to bring equipment, it's all provided!

Golf Program: **Students will gain the experience and etiquette of being on the golf course while becoming comfortable practicing on the driving range and putting green. Our PJCC Assistant Golf Professional Jake Anderson will cover all of the fundamentals including, grip, set-up, putting, chipping, and full swing. Golf is a sport that teaches our youth some very impactful core values such as; honesty, integrity, sportsmanship, respect, confidence, responsibility, perseverance, courtesy and judgment.**

Tennis Program: **Tennis is a sport that gets children moving, improves balance, agility and hand-eye coordination, and can teach self-confidence and self-assurance. Your child will enjoy playing with balls that bounce lower and move slower through the air, making them easier to hit. Racquets are sized for small hands, making them easier to grip and swing. Courts are smaller, so children can cover them and have more success when they play.**
