**Public Workshop**

When: Thursday June 6, 2024

Time: 10:00AM

Location: Village Hall, 121 West Broadway, Port Jefferson, NY 11777

Please join the Inc. Village of Port Jefferson Building and Planning Department for a public workshop regarding the current Sign/Awning code regulations and to discuss the process of applying for a Sign/Awning permit.

Everyone is encouraged to attend, including but not limited to residents, business owners, contractors, expeditors, and staff.

As a prominent part of the visual environment, signs attract or repel the viewing public. The purpose of this workshop is to give the public an opportunity to express their concerns and offer comments for possible amendments to the existing code while keeping in mind the purpose and intent of the sign code regulations.
